# SUPPLEMENTAL INFORMATION

Grinding castings that have not been cleaned or that contain embedded sand may generate significant amounts of dust containing crystalline silica.

Fumes from hot processes may contain other compounds with different exposure limits than those listed herein. Dust or fumes generated by machining, grinding, welding or thermal cutting of the casting may produce airborne contaminants. Exposure limits for the most common contaminants are offered as reference. Please consult a competent person for guidance on exposure assessment and controls.

## US-EPA (Toxic Substances Control Act–TSCA)

All components of these products are on the TSCA inventory list or are excluded from listing.

#### **US-EPA (SARA Title III)**

Releases to the environment of Aluminum (fume or dust), Cobalt, Copper, Lead, Manganese, Nickel and Zinc (fume or dust) may be subject to reporting under Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

#### CANADA-WHMIS (Workplace Hazardous Materials Information System)

This SDS has been prepared according to the hazard criteria of the Controlled Product Regulations (CPR) and the SDS contains the information required by the CPR.

#### CANADA DSL (Domestic Substances List) Inventory Status

All components of these products are on the DSL Inventory.

#### **CEPA (Canadian Environmental Protection Act)**

Lead is on the Toxic Substances List.

## EINECS No. (European Inventory of Existing Commercial Chemical Substances)

All components of these products are on the EINECS list.

#### **RoHS (Restriction of Certain Hazardous Substances) Compliance**

Castings comply with RoHS

#### CALIFORNIA PROPOSITION 65 Compliance

▲ WARNING: This product can expose you to chemicals including nickel which is known to the State of California to cause cancer, and lead, which is known to the State of California to cause birth defects or other reproductive harm. Please see Section 3 of this document for the chemical composition of this product. For more information go to www.P65Warnings.ca.gov.

#### **US STATE REGULATORY INFORMATION**

Some of the components listed in Section 3 may be covered under specific state regulations.
